## **Welder**

DFM is a leading manufacturer of premium attachments for skid steers and compact track loaders. We are seeking skilled welders for our El Reno Facility. The ideal candidate should have experience with welding, tack welding, assembly, and angle grinding. They must also be able to read and interpret drawings and use welding equipment to complete welding tasks with precision and accuracy. They must be able to work independently and in a team environment while adhering to all safety procedures. The winning candidate will have passion for quality, and a strong attention to detail.

### **Required Skills:**

- World class MIG welding skills
- Ability to reading blueprints and drawings and taking measurements
- Strong work ethic
- Excellent communication skills
- Strict adherence to best safety practices
- Team lift skills
- Forklift/crane knowledge

### **Duties/ Responsibilities**

- Reporting directly to weld shop manager
- Consulting team leaders and manager on production plans.
- Operate angle grinders to prepare the parts that must be welded
- Set up components for welding according to specifications
- Align components using calipers, rulers etc. and clamp pieces
- Weld components using MIG welder
- Complete all assigned tasks in a timely and efficient manner
- Provide assistance to plasma/fabrication staff as needed
- Maintain a clean work environment
- Ensure equipment and tools are cleaned and stored properly

### **Worker Requirements and Qualifications**

- High school degree or equivalent
- MIG welding experience required
- Ability to physically stand, bend, squat, and lift up to 65lbs and or team lift 150lbs
- Able to work independently or as an active member of a team

**Job Type:** Full-time

**Schedule:** 8-hour shift Monday –Friday

**Pay:** \$18.00-\$38.00 per hour

---

**Benefits:**

- 401(k)
- Health insurance
- Paid time off

**Location:** 3901 E Hwy 66 El Reno, OK 73036
