

DOUGHERTY FORESTRY MFG.

Production Painter

DFM is a leading manufacturer of premium forestry equipment. We are seeking a skilled painter with paint booth experience for high production painting of our products. Your job will be important since good paint is often the deciding factor in selling products. Our customers expect quality and longevity in our attachments.

The winning applicant will need experience in the use and function of PPE, use of a production spray gun, and good basic math skills.

Job Responsibilities/Duties:

- Use commercial spray gun to spray paint sand blasted metal attachments
- Delivery quality full surface coating
- Maintain clean work areas
- Work in enclosed paint booth wearing full respirator mask and other PPE
- Adhere to all health and safety precautions
- Maintain painting equipment / paint booth and filters
- Mix paint according to factory guidelines

Job Qualifications:

- High School Diploma or equivalent preferred.
- Strong proficiency industrial painting techniques
- Must be able to sit, stand, bend, squat, crouch, reach and lift 50lbs+ for extended periods of time.
- 3 years of paint experience.

Job Type: Full-time

Schedule: 8-hour shift Monday –Friday

Pay: From \$22.00-\$38.00 per hour

Benefits:

- 401(k)
- 401(k) matching
- Health insurance
- Paid time off

Location: 3901 E Hwy 66 El Reno, OK 73036
