

DOUGHERTY FORESTRY MFG.

Sand Blaster Operator

DFM is a leading manufacturer of premium forestry equipment. Our company is looking for a motivated Sandblaster Operator to join our work team. While no experience in sand blasting is required for the job, applicants must have experience with industrial equipment and proficiency in the use of power tools. Safety in the sand blasting area is extremely important so the winning applicant will need to be a detail orientated and safety conscious individual.

Job Responsibilities/Duties:

- Use industrial sand blasting equipment to clean metal parts for painting
- Delivery quality full surface clean
- Maintain clean work areas
- Work in enclosed booth wearing full respirator mask and other PPE
- Adhere to all health and safety precautions
- Maintain equipment / booth and filters

Job Qualifications:

- High School Diploma or equivalent preferred.
- Active with strong personal motivation for work.
- Must be able to sit, stand, bend, squat, crouch, reach and lift 50lbs+ for extended periods of time.

Job Type: Full-time

Schedule: 8-hour shift Monday –Friday

Pay: From \$16.00-\$26.00 per hour

Benefits:

- 401(k)
- 401(k) matching
- Health insurance
- Paid time off

Location: 3901 E Hwy 66 El Reno, OK 73036
